

Happy Garden Wars

 2-8

 13+

 45+

Happy Garden Wars plays as a three round card/tile drafting game. Players start each round by drafting supplies then go to work cultivating their plot. Afterwards players head into war interacting both offensively and defensively with the use of tools, pests and more!

- Drafting / Tableau Building
- Highly Replayable
- Medium Weight
- Strategic Depth
- Interesting draft decisions
- Room for expansions

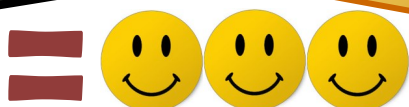

Premise

Each player is a gardener in a community garden where plants have personality and will produce happiness if treated well.

Find yourself taking part in a vicious passive aggressive war with your fellow community gardeners. Cater to the whims and needs of your plants in an effort to have the happiest garden around.

Get ready, get set,
BONSAI!
