

Introducing the **Card Caddy Triple Decker** – the latest addition to our line of portable, packable and multi-purpose tabletop gaming accessories!

Features:

- Secure snap closure **keeps cards safe** in the case **then opens easily** into a discard tray when it's game time
- Holds **100+ sleeved** trading cards or **4+ standard playing card decks**
- The discard tray keeps your piles organized, whether spread out or in a stack
- Unique design allows for **attachment of various accessories**, including connectors, storage boxes, score counter, dice tower and more!

Modular accessories like dice storage boxes and score pads keep all your gaming items together!

Snap-in divider lets you store mini cards and our new Coin and Chip Caddies!

The Card Caddy Triple Decker will launch on Kickstarter late 2018. Our existing line of products, the Card Caddy Single and Double Deckers as well as our Accessory pack, were funded through Kickstarter and are now available on our website.
